*Missio Dei* is latin for the sending of God. On Easter Sunday, we read Matthew 28:1-10 and heard the mandate to Mary and the other women to go and tell the other disciples that Jesus has been raised from the dead. These women were the first missionaries to tell of the resurrection.

Historically and continuing through today, First Presbyterian Church has listened well to God's call to go and tell. Deeply connected as Presbyterians, we believe that together we can impact the world by collectively supporting mission. Each year, we support mission in our presbytery, synod and general assembly through unified giving. The Presbyterian Church (U.S.A.) works with partner churches and organizations in more than [100 countries](#) and has appointed mission personnel to serve in more than 50 countries. World Mission's area offices are responsible for building and maintaining relationships with Presbyterian, Reformed and other churches around the world.

Additional ways in which we proclaim the love of our Triune God come through sharing our time and our gifts. Think about all the mission trips taken by youth and adults of FPC over the years. The experiences are rich and new opportunities

*(Continued on page 2)*

are always available.

This month, the senior high's will be heading to New York to work at Holmes Presbyterian Camp and at the soup kitchen at Broadway Presbyterian Church in New York City. Once we return, the congregation will kick off our 2011 booth at the Farmer's Market. This collaborative effort will raise money for the Presbyterian Hunger Program. Together, through providing produce and baked goods, sharing time staffing the booth, setting up and tearing down, we will help fight hunger throughout the world.

There are numerous ways in which you can participate in the God's sending of FPC to serve in

the world. Listen for announcements from the Mission Committee and consider how you can participate as they seek: support for the Farmer's market, extra hands working at Westminster Highlands, assistance in putting on fundraisers for the 2012 trip to Tanzania and help with other projects as they arise. Pray for these projects and the people working on them, volunteer your time and tell your story of how God has called and sent you through life.

# Bittersweet Memories

As my time as Interim Christian Education Director comes to a close, I am so filled with memories. I think perhaps the single thing that has impacted me the most is the group of wonderful people that we have in this church. Are we all the same? Absolutely not. Do we all think the same? Absolutely not. Do we all agree all the time? Absolutely not. But doesn't that make it even better? We learn to work together, disagree, find a common ground, work together again and so on it goes. The thing we always hang on to is that we do have one purpose and that is to work together for God and with God.

It has been amazing to me, how so many of you have volunteered to help with a project, or been a support to me in some way. Without all your love and support, I could never have been the Interim Christian Education Director for three years. My prayer now is that just the right person is

waiting in the wings to fill this job and its responsibilities.

I know that, just as you have supported me, you will do the same for the new person coming to us. We, as a church, value education opportunities. We show that in the way we allocate our budget, support programming and hire personnel. What a great place for someone trained in this field to land.

Thank you from the bottom of my heart for providing me with this opportunity to serve God and grow in Christian love.

# Rummage Sale

A huge thank you goes out to all the people who helped make this year's sale another success.

Without volunteers who are willing to take charge of all the organizing, hauling, sorting and folding of the merchandise, the sale would never happen. Bette McAmbley is the guru of Rummage sales. She exhibits such patience as each new bag is pulled out to be sorted and classified by the workers. Several days are needed for this set-up, so to be the chief organizer is a huge commitment. Thank you, Bette. The volunteers who came in to help sort and fold are invaluable also. Such fellowship

goes on as we stand by the tables folding and folding and folding. The days of the actual sale are busy ones. When we open in the morning we always have a line of people waiting. Thank you to those special people who stand behind the cash registers with a smile on their faces Thank you all.

Finally last but not least, thank you to all who donated clean, recyclable clothing, glassware, electronics, furniture and books. We had an abundance of items for sale this year. Thank you everyone.

# Sunday Golf

Sunday Golf will be held on the first and third Sundays each month. Everyone is invited to participate. Feel free to invite a friend to join in the fun. Tee times will start at 1:00 P.M. We will rotate around the area golf clubs each week. Sign up sheets are located in Communications Hall. You don't have to be a great golfer

to participate! Call Mark Phillips with questions at 688.5357.

# Sunday School Help

Growing organization is looking for energetic, dependable people to fill a variety of positions. If you are God oriented and are willing to spread his teachings, this is the job for you. Don't miss this

opportunity to share your gifts and talents. The long term benefits are so rewarding. Interested persons should direct their interest to the office of the Director of Christian Education.

# Soup Sales

Thanks to everyone who helped provide ingredients for the soup, who helped with the soup sales, or who purchased soup as part of our Mission

Committee fundraiser. Because of your participation, we were able to raise \$547.00 towards our mission goal. Thank you!

# Senior Recognition

Graduating seniors will be recognized in worship, June 12. A special Coffee Hour following worship to honor these graduates and their families will give everyone a chance to congratulate them on their accomplishments.

This is not the end of the road for these young adults but a new beginning. We are always sad to see our seniors depart for this new adventure in their lives. We will miss them. We do, however, want them to know that their church family is here to encourage, support and cheer them on. We are proud of their

accomplishments so far and are eager to hear the news as they step into the next phase of their lives.

Congratulation Graduates! Go on this new journey filled with the confidence that God's support will be with always. The rest of us will be waiting to welcome you home whenever; you have the opportunity to return.

I hope that everyone will join us in honoring our new graduates on June 12th during worship and the Coffee Hour that will follow.

# Back Porch Book Study

Join us on Ellie's back porch for conversation about *Love Wins* by John Bell. Ten people may sign up for this book study, which will take place at 7 p.m. on Sundays June 26, July 10, 17, and 24.

“In *Love Wins*, Rob Bell tackles the old heaven-and-hell question and offers a courageous alternative answer. Thousands of readers will find freedom and hope and a new way of understanding the biblical story - from beginning to end.” (Brian D. McLaren, author of *A New Kind of Christianity* and *Naked Spirituality*)

discipleship and evangelism through daily worship, small group activities and through various workshop activities and topics of interest. If you are interested contact Rev. Ellie Johns. There is scholarship money available for participation in this conference. Registration must be in by June 30th.

# Pentecost Offering

It is natural for children and youth to praise God. Their hearts and minds are open. Their eyes are clear. When this joyful connection to God is honored, children grow into thoughtful and centered young people who possess a bone-deep capacity for joy. They mature into empathetic young adults who have both a healthy sense of self-worth and the selfless desire to serve others. When you give to the Pentecost Offering you join these children and youth in their lifelong songs of faith and praise. Your gifts provide both Christian support and exciting opportunities for growth in discipleship. Forty percent of the Offering is used to min-

ister on behalf of children at risk as designated by each congregation. Through General Assembly ministries, the remaining 60 percent is used to support, guide, and nurture the faith of Presbyterian young people, call for the a new generation of church leadership, and advocate for children at risk.

Given guidance by the Holy Spirit, the love of their families, and the support of the faith community, they may indeed sing praises to God all their lives long. Please join them in song! Thank you for your support of the Pentecost Offering.

# Josh Davidson

My name is Joshua Davidson and my parents are Chuck and Amy Davidson. I have been a member of the First Presbyterian Church for seven years. I have had a blast with the church programs like Youth Group, Sunday school, and the mission trips. Some of the best memories I have had with the church are the many mission trips I have been on. It was great to meet the adults from our church on a more personal basis as opposed to just during the services and I hope to be able to attend the adult mission trips even after I go away to college. During this summer I will be working at Blair Corp. as a sales representative and doing yard work around town. This summer I will also be working hard to prepare to play football for Thiel College in the

fall where I plan to major in Criminal Justice with a minor or concentration in a forestry

*(Continued on page 16)*

*(Continued from page 15)*

program. After my freshman year, I plan on joining the Marine Corps Reserves and going active duty as a Military Policeman after I graduate from college.

My plans for the future have changed this past year, and I owe the opportunity for those changes to my football Lineman Coach

Rusty Zigler. Rusty helped me to see my options, and how I could use football to help me to reach my ultimate goal of becoming an Officer in the United States Marine Corps. Rusty helped to shape me into the young man that I am today by instilling in me the value of hard work and perseverance, values that will help me throughout my life.

## Chrissy Huey

.My name is Christine Huey, and my parents are Matt and Tina Huey. I haven't been able to participate much in recent church activities because I am very active in sports and also hold down two part time jobs which take up much of my time. My studies in school

are also very important to me, so my time is often very limited to do other kinds of extracurricular activities. I have been on the Warren Swim Team for the past four years getting up each morning at 5:30 for

*(Continued on page 17)*

*(Continued from page 16)*

practice, going to school, then having meets in the evenings then working on the nights we don't have meets. Swimming runs from September through March each year, so finding time to participate at church has been very difficult for me these past few years.

However, I have been a participant in many activities and projects for the church in previous years. I do remember attending Sunday School regularly, being an usher, being active in Youth Group for many years, and being one of the few girls in my age group to participate. Besides myself, other participants included my brother, Julian, Jeffrey B., Dan R., and Drew H., and Karen's youngest daughter, Erin. I used to love to sing in the Youth Choir in front of everyone too! My fondest memories are of the field trips and going to church camp with Karen,

our previous Christian Education Director.

This summer, I will still be working at both of my jobs and hope to find some down time for myself and my friends. I look forward to spending time with my family as well. We always plan a large gathering with all of my aunts, uncles, and cousins over the summer, and this time together is very important and meaningful to me.

My future plans include attending Kent State University and majoring in Nursing. I have many aunts who are, or have been, nurses in our family, and these aunts have been a great influence in my life. I strive to be a very dedicated, caring, and compassionate person, and I always want to help others. I believe a career in Nursing will help me to continue to be the kind of person who will do her best to help those in need.

## Jackie Barrett

My plans for the summer include working full-time at NY Style Deli and Pizza. I will be working, but also enjoying my last few months

at home. I will be attending Slippery Rock University in the fall, and I will be earning a double

*(Continued on page 18)*

*(Continued from page 17)*

major: Environmental Science and Mathematics. I have always been involved with the church by attending services and volunteering many hours towards a good cause whether they are mission trips, rummage sales, et cetera. The church has been and will always be an important part of my life. Not only have I been involved in the church, but I have been involved in my school in numerous ways. I was on the high school soccer team for four years (varsity for three years). I was vice-president for the Warren Area Snow Sports Club for three years, Envirothon for four years, trap shooting for a year, and secretary for National Honor Society for two years. I also enhanced my education by enrolling in the St. Bonaventure Dual Enrollment for two years. By the end of my two years, I accumulated 44 college credits, so

I am well on my way to success. I made a promise to myself that I will not stray from the path on which I have been traveling.

## Cody Gardiner

My name is Cody Gardiner. My parents are Bob and Kim Warner and Charles A. Gardiner. I have many happy memories of partici-

pation in church activities. My memories include being an active participant in Youth Fellowship

*(Continued on page 19)*

*(Continued from page 18)*

and the awesome nightmare hayrides that we took. I took part in special worship services like Youth Sunday and Children's Sabbath Sunday. My favorite church memory was being a member of the Youth Mission team that went to New York City in 2008.

My summer plans include work, going on the Youth Mission Trip to New York City and getting ready to attend college in the fall. I will be

attending J.C.C. in the fall and intend to major in Criminal Justice. My future plans include finishing college and becoming involved with the F.B.I.

## Youth Summer Mission

The youth have been working hard to earn their trip to New York City. Youth grades nine through twelve will be taking part in this mission trip adventure. The youth will leave directly after the Senior Recognition coffee hour on June 12th and will travel to

Holmes Presbyterian Camp and Conference Center. Our work there will be to help camp employees ready the camp for its opening the following week. We will also be volunteering at the Broadway Com-

munity Soup Kitchen. We hear it is a four-star establishment. We can't wait to see what exactly that means. We will be volunteering in other outreach capacities as well. Free time activities and sight-seeing adventures are currently being planned. This will be an adventure into city living that our youth will never forget. What an opportunity for them. We thank all of you that have made this adventure possible through support of our fundraisers. THANK YOU so much.

# VBS Sports Camp

Vacation Bible School- Sport's Camp

DeFrees Playground Pavilion

July 25-28th

In baseball, if you are on third base, all the fans are rooting for you to “go the distance”. In our third year for sport’s camp we are planning to do just that. We are asking all of you to go the distance with us. We have had such a wonderful experience over the last two years providing this experience, not only for our youth, but also as a community outreach. It might seem early to be thinking about July but we all know that when summer comes, the days fly by. Mark your calendar now for this years sport’s camp being held July 25th - 29th. 6:00-8:30 at

Jefferson Defrees Pavilion. Note we are staying a little closer to home this year, right around the corner.

Youth grades one through five are invited to join us at camp for drills on sport’s technique, practice and character formation. Inviting a friend to attend the camp with you only makes for even more enjoyment. The variety of sport’s spotlighted means that it doesn’t matter what your favorite sport is there is something offered that everyone will enjoy. Moving the camp to Jefferson Defrees will be more convenient for everyone. We

will meet there each evening of camp. We will have plenty of room for our drills and a covered pavilion too.

The sport's being high-lighted this year are baseball, soccer, basketball and track and field. Each evening of camp focuses on a different sport. Our Huddle coaches will explore the character qualities of change, endurance, rest, teamwork and finishing strong.

The Rally coaches will share a Bible story each day that exemplifies the character qualities.

Come and be a part of our Sport's camp adventure. Don't exclude yourself just because you are not a sport's champion. The purpose of the camp is give exposure to several sport's in a fun, encouraging way.

We always need more volunteers to help be crowd control or be a part of any of the aspects of the camp. If you are interested in helping notify the church office.

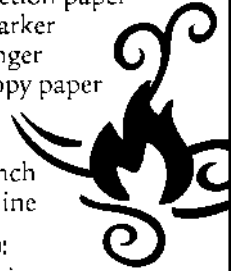

Our camp this year will conclude with a fun evening of fellowship and skating at Russell Roller Rink. We will provide transportation that night for anyone who might need it. I can't wait to see everyone at camp.
